Dear Patron:

This year, St. Walter School in Roselle celebrates its 56th year of service to the young people of our community. It has long been our goal to provide outstanding academic and moral education that will assist our children to become better citizens, neighbors and contributing members of our society.

St. Walter School serves families in suburban Chicago with an enrollment of over 750 students, spanning six communities in the Northwest area. At this time, we are seeking the aid of our area businesses willing to contribute to our school's annual fundraiser. Your support will enable us to continue to provide quality education to our young learners.

This year's Gala, **ANCIENT GREECE – UNLOCK THE SECRETS OF THE GOLD**, will be held on Saturday, March 7 at the beautiful Venuti's Banquets in Addison. We hope that you will consider supporting our school through a gift donation.

In return for your generosity, St. Walter School will provide you with a gift description and sponsor listing in our Auction Program - an excellent advertisement opportunity as this year's event is expected to host 400 guests and will also be distributed to every family in the school!

We have enclosed a Donor Form that can be filled out and returned directly to the school along with your contribution or you can contact us for more information. This year we are requesting that if you are considering a donation, it is sent in to the school no later than January 30, 2009 due to the printing deadline for our Auction Program.

We invite you to secure our children's future as we continue to provide excellence in Catholic education and appreciate your consideration and support. It is through the generosity of businesses such as yours that our school continues to grow and thrive, and on behalf of the children who will be touched by your kindness, we thank you.

Sincerely,

Catie VanValkenburg
